Congratulations To Our 2018 McCoy-Porter Scholarship Winners

Frontier Community Credit Union has awarded two \$1,000 scholarships to area high school graduates **Jacqueline Dyke** and **Sierra Staatz**, based on their outstanding academic achievements, work ethic, civic and educational involvement and character. The annual scholarships are named in honor of our former leaders Lyle McCoy and Ray Porter, two long-time volunteers who worked to bring credit union services to the community.

Jacqueline Dyke graduated from Leavenworth High School and will attend the University of Kansas. She plans to major in biochemistry, ultimately becoming an obstetrician/gynecologist.

Sierra Staatz graduated from Tonganoxie High School and will attend Kansas State University, where she'll major in chemical engineering and food science. She wants to focus on service and research eliminating food waste.

Watch our website, newsletter and social media in January for information regarding our 2019 scholarship contest. We wish both of our scholarship recipients the very best with their scholastic endeavors and beyond!

In The Community

We Support Local Public Schools

Part of the credit union philosophy includes a focus on giving back to the communities we serve. A large part of any community is its education programs, which is why Frontier Community Credit Union proudly donates \$3,500 annually to both the Lansing Educational Foundation and Leavenworth Education Foundation. We appreciate all these foundations do to build a better future for the area.
